

Part 1: Application Process

1.1 Overview

The purpose of this application is to provide subsidies in the form of grants and loans to selected applicants for the acquisition, rehabilitation and/or new construction of single-family housing to serve low-income beneficiaries. Through this program, IHCD seeks to improve the quality of existing housing stock in Indiana.

This program is designed to allocate HOME Investment Partnership Program (HOME) funds to be used for the rehabilitation and/or new construction of single-family homebuyer housing among selected applicants having projects that meet the requirements of the program and IHCD's goals for the program.

1. Demonstrate they are meeting the needs of their specific community.
2. Serve low-income households (at or below 80% of area median income).
3. Are ready to proceed with the activity upon receipt of the award.
4. Propose to revitalize existing neighborhoods, preferably through a comprehensive approach (i.e. as part of a published and approved community revitalization plan).
5. Propose projects that promote aging-in-place strategies for seniors, persons with disabilities, and families with seniors or persons with disabilities.
6. Propose projects that are energy-efficient and are of the highest quality attainable within a reasonable cost structure.
7. Propose the use of state certified Minority Business Enterprise (MBE), Women Business Enterprise (WBE), Federal Disadvantaged Business Enterprise (DBE) Participation, Veteran-Owned Small Business (VOSB), and/or Service Disabled Veteran Owned Small Business (SDVOSB) contractors, employees, and products when applicants are planning and undertaking their housing activities.

This round has a maximum of \$1,000,000 available for homebuyer activities. If additional funds are available after this round that were originally reserved for homebuyer activities (either due to lack of sufficient number of homebuyer applications in general or lack of homebuyer applications meeting threshold requirements), these funds will be redirected and used for rental development.

1.2 Funding Round Timeline

Note: This is an anticipated schedule and is subject to change or extension.

Application Available / Round Begins	January 23, 2015

Please notify Gretchen Fisher at gfisher@ihcda.in.gov if the applicant would like to add an additional contact person for communications regarding this application.

1.5 Application Review

Each application must address only one project. Applications are reviewed in a three-step process:

- | | |
|--------------------------------|--|
| <u>Step One</u> - Completeness | On or before the application deadline, the applicant must provide all required documents, signatures and attachments. |
| <u>Step Two</u> - Threshold | The application must meet each of the applicable threshold criteria. After initial threshold review, IHCD staff may contact an applicant |

to request clarification of threshold information contained in the pending application. The applicant will have the opportunity to respond on or before the due date provided by IHCD. If the applicant does not respond to the threshold clarification letter and therefore threshold item(s) are still in question, the application will be disqualified. Applications may have no more than three outstanding clarifications after the second review or the application will be disqualified. Points will be awarded to those applications where no clarifications are required.

Step Three - Scoring

Applications that pass the completeness and threshold reviews are then scored according to IHCD's published scoring criteria. After initial score review, IHCD staff may contact the applicant for further clarification of a scoring item. Failure to respond to the requested scoring clarification items by the due date and in the manner requested may result in application denial. Supporting documentation for scoring categories will not have the opportunity to be submitted after the initial application submission.

Funded applications will be announced at the published IHCD Board Meeting date. Confirmation letters and score sheets will be uploaded to the FTP site by the close of business on the day of the Board Meeting. Applications that are not funded will be notified by IHCD via a denial letter and score sheets being uploaded to the FTP site by the close of business on the day of the Board Meeting. Applications not funded will not be rolled over into the next funding round.

1.6 Minimum Score Requirement

An application must score at least 80 points to be considered for funding.

1.7 CDBG & HOME Award Compliance Manual

The *CDBG & HOME Award Compliance Manual* outlines the requirements for administering IHCD's HOME awards. The manual is available on IHCD's [HOME program webpage](#).

1.8 Award Compliance Trainings

IHCD will offer a training to explain the various aspects of the regulatory requirements for administering the award. Topics covered will include funds management, required record keeping, and forms and reports that must be submitted to IHCD. In addition, IHCD staff will be available to provide one-on-one award trainings upon request. All new applicants and those who have had difficulty administering awards in the past are strongly encouraged and may be required to take advantage of these trainings.

2.3 Religious and Faith-Based Organizations

Organizations that are religious or faith-based are eligible to participate in the HOME programs on the same basis as any other organization. Organizations that are directly funded under the HOME program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the assistance. If an organization conducts such activities, the activities must be offered separately, in time or location, from the assistance funded under this part, and participation must be voluntary for the beneficiaries of the assistance provided.

A religious organization that participates in the HOME program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct HOME funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities, without removing religious art, icons, scriptures, or other religious symbols. In addition, a HOME-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents. An organization that participates in the HOME program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

All income verification procedures outlined in the IHCDA [Compliance Manual](#), Income Verification Chapter 8 must be followed.
- All IHCDA-assisted units must be inspected twice during the award period. The first inspection will occur at the completion of the documented scope of work and prior to the IHCDA Inspector's final physical inspection. The second inspection will be conducted upon completion

of the construction for the award. The IHCD Inspector will conduct the physical inspections. (IHCD [Compliance Manual](#), Construction Standards & Physical Inspections Chapter 14)

- The match/leverage requirement for the HOME program is twenty-five percent (25%) of the total amount of HOME funds drawn minus administration and/or CHDO operating costs. (IHCD [Compliance Manual](#), Policy Requirements Chapter 1)
- All applicants are required to begin the environmental review record (ERR) upon notification of approval for funding. The resulting IHCD Release of Funds is required before fully executed award documents are released and before proceeding with the project. (IHCD [Compliance Manual](#), Environmental Review Chapter 11). For more information, contact the IHCD Design and Construction Review Manager.
 - Applicants may not purchase any property to be assisted with HOME funds, sign contracts or begin rehab/construction until the ERR/Release of Funds process has been completed and approved.

- Each recipient of a HOME award is subject to the requirements of the Uniform Relocation Act. See the IHCD's [Compliance Manual](#) Chapter 4 on URA for guidance on the regulatory requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), as amended, the Federal regulations at [49 CFR Part 24](#), and the requirements of [Section 104\(d\) of Title I of the Housing and Community Development Act of 1974, as amended](#).
- Housing must meet the accessibility requirements of 24 CFR Part 8 which implements Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and covers multifamily dwellings, as defined in 24 CFR Part 100.201. It must also meet the design and construction requirements of 24 CFR 100.205 and which implement the Federal Fair Housing Act Amendments of 1988 (42 U.S.C. 3601-3619). - Recipients of HOME funds must meet additional energy efficiency standards for new construction as described in 24 CFR 92.251.
- The recipient of HOME funds must ensure that every HOME-assisted homebuyer receives housing counseling before purchasing a home. The counseling can be provided by the recipient, an organization under contract with the recipient, or a qualified third party independent

recipient (e.g., a HUD-approved housing counseling agency). The counseling should be comprehensive by including post-purchasing counseling, if feasible.

- Persons who, as a result of national origin, do not speak English as their primary language and who have limited ability to speak, read, write, or understand English (“limited English proficient persons” or “LEP”) may be entitled to language assistance under Title VI in order to receive a particular service, benefit, or encounter. In accordance with Title VI of the Civil Rights Act of 1964 (Title VI) and its implementing regulations, the recipient must agree to take reasonable steps to ensure meaningful access to activities funded by federal funds by LEP persons. Any of the following actions could constitute “reasonable steps”, depending on the circumstances: acquiring translators to translate vital documents, advertisements, or notices, acquiring interpreters for face to face interviews with LEP persons, placing advertisements and notices in newspapers that serve LEP persons, partnering with other organizations that serve LEP populations to provide interpretation, translation, or dissemination of information regarding the project, hiring bilingual employees or volunteers for outreach and intake activities, contracting with a telephone line interpreter service, etc.
- Any HOME-assisted homeownership unit that has not been sold by the recipient to an eligible homebuyer within nine (9) months of completion must be converted to a HOME-assisted rental unit.
- Recipient must follow the non-discrimination requirements of the Fair Housing Act, the Violence Against Women Reauthorization Act of 2013, and the Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity rule.

3.4 Affordability Requirements

HOME subsidized activities must be secured throughout the affordability period by a recorded lien and restrictive covenant agreement created by IHCD. The affordability period begins after project completion. During the affordability period the home must remain the owner’s principal place of residency; and the homeowner is required to maintain adequate homeowner insurance on the property. For more information, see IHCD [Compliance Manual](#), Lien and Restrictive Covenants & Affordability Requirements Chapter 15.

The award recipient must execute a lien and restrictive covenant prepared by IHCD. The award recipient is ultimately responsible for repaying IHCD any HOME funds invested into any unit that does not meet the affordability requirements throughout the Affordability Period. The Affordability Period is based upon the total amount of HOME funds invested into the unit. (IHCD [Compliance Manual](#), Lien and Restrictive Covenants & Affordability Requirements Chapter 15)

The following affordability periods apply to all HOME homebuyer activities:

Amount of HOME subsidy per unit:	Affordability Period
Under \$15,000	5 years
\$15,000 - \$40,000	10 years
Over \$40,000 - or any rehabilitation/refinance combination activity	15 years

The recipient is responsible for ensuring that the HOME-assisted homebuyer projects continue to be the buyer’s primary residence throughout the affordability period. Confirmation that the buyer is using the

property as his or her principal residence can often be accomplished by verifying that the buyer's name appears on utility company records and/or insurance company records for the home. In addition, postcards or letters mailed with "do not forward" instructions can demonstrate whether the buyer is receiving mail at the home.

3.5 Homebuyer Resale Provisions

If HOME Funds are provided to the homebuyer as a grant, the property will be subject to a resale restriction.

The award recipient must ensure that a resale restriction in the form of a lien and restrictive covenant is executed and recorded on any property constructed, rehabilitated, or acquired, in whole or in part, with HOME funds in the form of a development subsidy. A development subsidy consists of the difference between the cost of producing the unit and the fair market value of the property.

If the homeowner determines that it no longer intends to use the property as its principal residence during the term of the Affordability Period, resale restrictions require the homeowner to sell the property to a low-income household that will use the property as its principal residence throughout the remainder of the affordability period. The term "low income household" shall mean a household whose gross annual income does not exceed eighty percent (80%) of the median income for the geographic area published annually by HUD. The purchasing household should pay no more than twenty-nine percent (29%) of its gross household income towards the principal, interest, taxes, and insurance for the property on a monthly basis. The homeowner selling the property will be allowed to receive a fair return on investment, which will include the homeowner's investment and any capital improvements made to the property.

The award recipient will be required to repay IHCD for any HOME funds utilized for housing constructed, rehabilitated, or acquired that does not remain affordable in accordance with 24 CFR 92.254 for homeowner housing, as applicable, for the entire Affordability Period. Under resale guidelines the Affordability Period is based upon the total amount of program funds invested into the unit as defined in the chart above.

3.6 Homebuyer Recapture Guidelines

If a homebuyer subsidy is provided to the homebuyer as a loan, the HOME Funds will be subject to a recapture provision.

The award recipient must ensure that a recapture provision in the form of a lien and restrictive covenant is executed and recorded on any property purchased, in whole or in part, by a homebuyer that receives a direct subsidy ("homebuyer subsidy") in an amount greater than or equal to One Thousand and 00/100 Dollars (\$1,000) in HOME Funds. A homebuyer subsidy consists of any financial assistance that reduces the purchase price from fair market value to an affordable price, or otherwise directly subsidizes the purchase (e.g., down-payment or closing cost assistance, interest subsidies, subordinate financing, or any other assistance that reduces the purchase price from fair market value to an affordable price).

If the homebuyer no longer utilizes the property as its principal residence during the term of the Affordability Period, the amount to be recaptured is the shared net proceeds of a prorated amount of

the homebuyer subsidy. The proration shall be based on the length of time the homebuyer has occupied the property as its principal residence in relation to the affordability period. Any net proceeds that exist will be shared between IHCDA and the homebuyer. If there are not any proceeds, there is no amount to recapture.

The net proceeds are the total sales price minus all loan and/or lien repayments. The net proceeds will be split between the IHCDA recipient and borrower as outlined according to the forgiveness schedule contained in IHCDA's *CDBG and HOME Program Manual*.

If there is both development subsidy and homebuyer subsidy or just homebuyer subsidy, a recapture provision must be implemented. In cases where a homebuyer subsidy was not provided and there is only a development subsidy, resale restrictions must be executed on the property.

The award recipient will be required to repay IHCDA for any HOME funds utilized for housing constructed, rehabilitated, or acquired that does not remain affordable in accordance with 24 CFR 92.254 for homeowner housing, as applicable, for the entire Affordability Period. Under recapture guidelines the Affordability Period is based upon the total amount of the homebuyer subsidy that the homebuyer received in HOME funds.

Part 4 : CHDO

4.1 IHCD CHDO Set-Aside

IHCD must allocate 15% of its HOME funds for CHDO projects.

4.2 CHDO Eligible Activities

- For this round, single-family homebuyer housing is considered the CHDO-eligible activity for purposes of the CHDO set-aside as long as the activity takes place within the CHDO's state-certified service area and the CHDO must own, develop, or sponsor the activity.
 - HOME-assisted homebuyer's program: When the CHDO owns and develops new housing that will be constructed or if the CHDO is the current owner or will be acquiring existing housing that will be rehabilitated. As developer, the CHDO must arrange financing for the project and be in sole charge of construction.

4.3 CHDO Program Requirements

CHDOs must adhere to all HOME requirements listed in this Application Package and the additional CHDO specific program requirements:

- The CHDO must have a current CHDO Certification issued by IHCD or, for this round only, will notify IHCD on the application form that they intend to apply for CHDO Certification by the April 1, 2015 CHDO application deadline.
- Treatment of Program Income by a CHDO:
CHDOs receiving payment back during the affordability period may retain these funds. The funds must be utilized for housing activities that benefit low-income families as provided in 24 CFR 92.300(a)(2). However, if at any time during the affordability period, the CHDO becomes decertified or no longer has a mission of providing affordable housing then all CHDO proceeds must immediately be remitted to IHCD. Please contact your Compliance Monitor for further assistance in this area.
- An application for a CHDO eligible undertaking must demonstrate the following:
 - Low- and moderate-income persons have had the opportunity to advise the CHDO in its decision regarding the design, site, development, and management of the affordable housing undertaking.
 - Certify that the organization continues to meet the definition of a CHDO by being a certified CHDO by IHCD.
 - Complete the CHDO related sections in the Application Forms.
- Homebuyer provision for CHDO-eligible activities, the HOME funds may be provided as a homebuyer deferred payment or forgivable loan and must carry a zero (0%) interest rate and the term must not exceed the affordability period. The Single Family proforma that is submitted to IHCD at set-up must include:
 - The affordable payment (Principal, Interest, Taxes, Insurance, and Utilities) must have a front-end ratio of twenty-nine percent (29%) of gross income.
 - Applicants should not allow a mortgage payment that exceeds the back-end affordable payment ratio calculated at forty-one percent (41%) of gross monthly income.
 - If the activity is for new construction, at least \$50.00 per month must be budgeted for property taxes, unless documentation is provided that indicates that taxes will be lower than this amount.

- Applicants must include a utility allowance between \$125.00 and \$200.00, unless documentation is provided that indicates that utilities will be lower than this amount.
- Donations toward a home must be counted at one hundred percent (100%) of the value; however, in the financial analysis seventy-five percent (75%) of this value must be counted toward either development and/or homebuyer subsidy. But if including a developer fee this is not eligible and one hundred percent (100%) of the value must be counted.
- CHDO Operating Costs – CHDO operating costs are those costs directly related to administering an IHCD HOME CHDO award and complying with the regulations associated with these funds. HOME funds expended on CHDO operating costs incur no match liability. This line item cannot exceed five percent (5%) of a HOME award and generally is between \$5,000.00 and \$10,000.00. This line item along with developer's fee, program delivery, and environmental review cannot exceed twenty percent (20%) of the HOME request. Recipients are allowed to draw down this line item as costs are incurred. Costs associated with preparing an application for funding through IHCD are not eligible for reimbursement through a HOME award.

Eligible costs include:

- | | |
|--|---|
| ○ Affirmative marketing | ○ Communication costs |
| ○ Fair housing education | ○ Lead based paint training |
| ○ Postage | ○ Staff time or professional services related to reporting, compliance, monitoring, or financial management |
| ○ Office materials and supplies | ○ Training related to the housing activity |
| ○ Photocopying | |
| ○ Office rent and utilities | |
| ○ Travel related to the housing activity | |

4.4 CHDO Operating Supplement

CHDOs may apply for supplemental funds in the Application Forms. The CHDO may apply for up to \$50,000 in supplemental funding tied to a specific CHDO HOME eligible project.

4.5 CHDO Predevelopment and Seed Money Loans

CHDOs are eligible for project specific predevelopment or seed money loans. The CHDO must apply for the predevelopment or seed money through a separate application process. Please contact your Real Estate Production Analyst for more details.

Part 5: Subsidy Limitations & Eligible Activity Costs

5.1 Subsidy & Budget Limitations

The maximum request amount per application is \$500,000 for homebuyer activities.

Subsidy Limitations

HOME funds used for acquisition, rehabilitation, new construction, program delivery, relocation, rent-up reserve, and developer's fee combined cannot exceed:

Bedroom Size	Per Unit Subsidy Limit
0	\$55,000
1	\$63,000
2	\$77,000
3	\$99,000
4+	\$109,000

Minimum amount of HOME funds to be used for rehabilitation or new construction is \$1,000 per unit.

Budget Limitations

HOME funds cannot be used for reserve accounts for replacement or operating costs, but may be used as a Rent-Up Reserve.

All subsidies must be secured throughout the affordability period by a written, legally binding, recorded restrictive covenant.

HOME funds budgeted for administration or CHDO operating costs cannot exceed five percent (5%) of the HOME award.

HOME funds budgeted for developer's fee cannot exceed fifteen percent (15%) of the HOME award.

HOME funds budgeted for administration or CHDO operating, program delivery, environmental review and developer's fee together cannot exceed twenty percent (20%) of the HOME award.

5.2 Form of Assistance

HOME funds will be awarded to the recipient in the form of a grant or loan. Award documents must be executed in order to access funds and may include, but are not limited to: award agreement, resolution, and a lien and restrictive covenant agreement.

The applicant may then provide the HOME award as a forgivable, amortized, or deferred loan to as many other entities as they choose, known as subgrantees (beneficiaries if a homebuyer award). However, subgrantees must be identified in the application and approved by IHCD.

A title company is required to be used for all loans that occur between the IHCD recipient and the beneficiary or subgrantee of the program. For example, an IHCD recipient providing funds for a

homebuyer activity must use a title company when the loan is made to the homeowner. Another example is when an IHCD recipient is assisting a property that it does not own. When the loan is made from the IHCD recipient to the subgrantee, a title company must be used.

The IHCD recipient must execute a promissory note, mortgage, lien and restrictive covenant agreement, security agreement, UCC Financing Statement(s), and other documents as directed by IHCD in order to secure IHCD's investment in the assisted property. The recipient is required to deliver these documents to the county recorder's office for recording. These documents will be reviewed during monitoring visits.

5.3 Eligible Activity Costs

The bolded items listed below are included in the application budget. If you have a question about which line item an expense goes under, contact your IHCD Real Estate Production Analyst.

RETAINAGE POLICY - IHCD will hold the final \$5,000.00 of an award until the completion reports, leverage documentation, and closeout documentation is received and approved. Additionally, IHCD will hold the final \$5,000.00 of an award until the final monitoring and final inspection have been completed and all findings and/or concerns associated with them have been resolved.

ACQUISITION – Limited to the purchase price and related costs associated with the acquisition of real property. Recipients must use a title company when purchasing or selling assisted properties.

DOWN PAYMENT ASSISTANCE – Down payment assistance may include closing costs, principal reduction, or interest rate buy-downs provided to program participants, or any assistance that reduces the purchase price from the fair market value to an affordable price. For homebuyer projects only.

HOME awards cannot be used to underwrite any portion of commercial development costs. The expenses incurred and income to be generated from commercial space must be reported in a separate "Annual Expense Information" sheet and fifteen (15)-year proforma.
- Costs associated with preparing an application for funding through IHCA.

5.4 Program Income

Income generated by CHDOs acting as owners, sponsors or developers of HOME units may be retained by the CHDOs but it must be used for housing activities that benefit low-income families as provided in 24 CFR 92.300(a)(2). However, funds recaptured because housing no longer meets affordability requirements is not considered CHDO proceeds and must be returned to IHCD.

Income generated by not for profits or for-profits, acting as developers of HOME units, may be retained by the developer and is not subject to HOME Program requirements.

Additionally, all legal documents, such as mortgages, security agreements, UCC financing statements, and liens executed by the IHCD recipient and the beneficiary or subrecipient, receiving assistance, must be recorded at the county recorder's office. These documents must be submitted to IHCD at closeout along with the IHCD recipient's completion reports and will be reviewed during monitoring visits conducted by IHCD staff.

The State of Indiana, Department of Financial Institutions, has determined that any community development corporation (as defined in IC 4-4-28-2) acting as a subrecipient of funds received from; the Indiana Housing and Community Development Authority is exempt from the requirements of the Consumer Credit Code set forth in (IC 24-4.5), including its loan licensing requirements. Subsequently, if you are a not for profit that does not meet these requirements, you could be subject to the loan licensing requirements as listed above.

Additionally, if your organization makes more than twenty (25) consumer loans in a year, then the loan-licensing requirements referenced above could become applicable.

Part 6: Homebuyer Requirements

The purpose of this activity is to provide funding to improve the quality of housing stock while making it affordable for homebuyers. Funding is available for the acquisition, rehabilitation and new construction of housing that will be sold to income-eligible homebuyers.

6.1 Eligible Beneficiaries

Each household must have an annual income equal to or less than eighty percent (80%) of the area median family income (adjusted for household size) at the time the contract to purchase the home is signed. The Section 8 definition of household income applies. See Chapter 8 of the *CDBG and HOME Program Manual* for instructions on calculating and verifying household income. Households must also meet the definition of “low-income families” at 24 CFR 92.2 which limits occupancy based on certain student status rules (see Chapter 1 in the *CDBG and HOME Program Manual*).

To be eligible for homebuyer activities, the prospective purchaser beneficiary must be low-income and must occupy the property as a principal residence upon purchase.

The purchasing household must be low-income at either:

- In the case of a contract to purchase existing housing, at the time of purchase; or
- In the case of a contract to purchase housing to be constructed, at the time the contract is signed.

A household owns a property if that household:

- Has fee simple title to the property; or
- Maintains a 99-year leasehold interest in the property; or
- Owns a condominium; or
- Owns or has a membership in a cooperative or mutual housing project that constitutes homeownership under state law; or
- For manufactured housing, land must be owned by the manufactured housing owner or leased for a period at least equal to the duration of the affordability period; or
- Maintains an equivalent form of ownership approved by HUD.

Ownership does not include land contracts/contracts for deeds.

6.2 Affordability Periods and Resale/Recapture Requirements

All homebuyer projects are subject to an Affordability Period as defined in Part 3.4 of this document.

The recipient must implement resale or recapture provisions through a recorded lien and restrictive covenant agreement as described in Parts 3.5 and 3.6 of this document.

6.3 Homebuyer Provisions

- Recipients are required to identify and qualify homebuyers prior to acquiring and beginning construction on the HOME-assisted units; however, HOME-assisted units are not considered completed until occupied by an income eligible homebuyer. Therefore, units that are not completed during the award timeframe may affect future funding decisions.

- Recipients will be required to provide an “after rehab” or “construction value” appraisal; whichever is appropriate, from a licensed appraiser for all property assisted with the award with the first draw that includes hard costs. If the applicant is acquiring property an “as-is” appraisal is required with the first draw request for acquisition reimbursement. See IHCA’s Compliance Manual for details.
- Applicants also performing rehabilitation on the housing in this activity must purchase:
 - Homebuyer residential units,
 - Rental units that have been vacant for three (3) or more months, or
 - Occupied rental units only if the current tenant will become the eventual homebuyer.See the IHCA’s Compliance Manual for further guidance.
- Subsidy analysis must be based on a borrower’s payment for a minimum of a 20-year mortgage.
- Recipients are required to provide homeownership counseling to all program beneficiaries.
- The recipient may not charge servicing, origination, processing, inspection, or other fees for the costs of providing homeownership program assistance.
- If the not-for-profit applicant anticipates selling the HOME-assisted unit to a buyer that will utilize an FHA or VA insured mortgage, they may be required to first be approved by HUD to be a secondary lender. Information on how to become a HUD-approved lender can be obtained at HUD’s website or by calling the HUD’s Atlanta Homeownership Center toll free at (888) 696-4687 ext. 2055.
- According to 24 CFR 92.254(a)(2) in the case of acquisition of newly constructed housing or standard housing, the property must have a purchase price that does not exceed the FHA 203(b) mortgage limits. In the case of acquisition with rehabilitation, the property must have an estimated value after rehabilitation that does not exceed the FHA 203(b) mortgage limits. For a list of current mortgage limits, see the appropriate RED Memo on IHCA’s website.
- The HOME-assisted housing unit must be occupied as the homebuyer's principal residence throughout the Affordability Period.
- Homebuyer units that are multi-family (four (4) or less units) must meet all program requirements. The owner must be income qualified (income from the rental units must be included). The occupants of the rental units must also be income qualified and impose all rental requirements.
- Any HOME-assisted homeownership unit that has not been sold by the recipient to an eligible homebuyer within nine (9) months of completion of construction or rehabilitation (meaning all necessary title transfer requirements and construction work have been performed and the housing unit complies with the property standards as evidenced by a final inspection) must be converted to a HOME-assisted rental unit subject to all compliance requirements of HOME-assisted rental housing in accordance with 24 CFR 92.252

Part 7 : Completeness & Threshold Criteria

Each proposed project must satisfy the Federal requirements of the HOME program and any additional requirements established by IHCD. To be considered for funding, an applicant must meet all of the criteria listed below.

- Complete instructions regarding the Threshold & Scoring Checklist are included in the document.
- After initial threshold review, IHCD staff may contact the applicant for further clarification of a threshold item. Failure to respond to the requested clarification items by the due date and in the manner requested may result in application denial.
- Supporting documentation for scoring categories will not have the opportunity to be submitted after the initial application submission.

Part 8: Scoring

If an application meets all applicable requirements, it will be evaluated and scored based on:

Scoring Category	Points Possible
Project Characteristics	38
Development Features	25
Readiness	13
Capacity	25
Financing	10
Unique Features & Bonus	10
Total Possible Points	121

When there is a scoring criteria based on the county being served and there are multiple counties, the applicant should add up the scores from each county and average them, rounding to the nearest whole number. An application must score at least 80 points to be considered for funding.

8.1 Project Characteristics

Category Maximum Points Possible: 38

This scoring category describes the proposed project. The points can be achieved through the following sub-categories: Constituency Served, Targeted Population, Comprehensive Community Development, and Services.

1) *Constituency Served*

Maximum Number of Points: 8

Points will be awarded to applicants that have at least 20% of the potential homebuyers identified and income verified.

Homebuyers Identified	Points
At least 20% of the potential homebuyers are identified and income verified.	8

Include the following:

-A completed Form F Client Intake List in Tab L.

2) *Aging in Place Targeted Populations*

Maximum Number of Points: 5

Aging in Place (AIP) refers to adapting our collective living environment so it is safer, more comfortable, and increases the likelihood a person can live independently and remain at home as circumstances change. Primary target populations for aging in place strategies are seniors, families with seniors, and persons with disabilities.

Points will be awarded to applicants that target populations with special housing needs under IHCD's AIP priority in accordance with the following guidelines and charts.

Target Population: Aging in Place	Points
100% of homebuyer units meet the “visitability” standard (see below). In addition, all units shall be made accessible upon the request of the prospective buyer.	5

Visitability is defined as housing designs that allow persons with mobility impairments to enter and enjoy a residence. There are three (3) specific design elements that must be incorporated into the home to satisfy the visitability requirement.

1. At least one zero step entrance on an accessible route. This can be any entrance to the house; and
2. All main floor interior doors- including bathroom doors- provide at least 32 inches of clear passage; and
3. At least one half or full bathroom on the main level is accessible per the Fair Housing Act usable bathrooms requirement.

In order to receive points for AIP projects must satisfy the following criteria:

For New Construction:

- 100% of the units must be accessible or adaptable, as defined by the ADA and the Indiana Accessibility Code.

Include the following:

- *The originally signed HOME application will serve as certification that the development will comply with these requirements.*

For Rehabilitations:

- 100% of the ground floor units must be accessible or adaptable, as defined by the ADA and the Indiana Accessibility Code, and all units above the ground floor must be adaptable as defined by the ADA and the Indiana Accessibility Code unless the building(s) contained elevator(s)/Lift(s) prior to rehabilitation, in which case the elevators/lifts will need to be maintained and 100% of the units above the ground floor will need to be accessible and adaptable.

Include the following:

- *The originally signed HOME application will serve as certification that the development will comply with these requirements.*
- *For rehab projects with more than 26 units, a capital needs assessment must be submitted in Tab L.*

- 3) *Comprehensive Community Development* *Maximum Number of Points: 13*
Projects with a Comprehensive Community Development focus are a part of a broader, more comprehensive approach to area improvement. These projects have the capability of contributing to fundamental change to the character of a targeted area. Points will be awarded to applicants whose projects contribute to the revitalization of existing areas.

In order to score points in this category, applicants will submit a Comprehensive Community Development Plan. Specific points will be awarded based on the chart below. Part 9 : Glossary of Terms

Below are definitions for commonly used terminology found throughout the IHCD HOME application policy and forms and applicable to the IHCD HOME program.

Administrator: A procured entity that will assist carrying out the HOME award.

Aging in Place: - Aging in Place (AIP) refers to adapting our collective living environment so it is safer, more comfortable, and increases the likelihood a person can live independently and remain at home as circumstances change. Primary target populations for aging in place strategies are seniors, families with seniors, and persons with disabilities.

Beneficiary: The household or unit that received homeowner repair work as a result of the HOME award.

CHDO: A Community Housing Development Organization. A non-profit, community- based organization with the capacity to develop affordable housing for the community it serves, as defined in the HOME rule and as certified by IHCD. Participating Jurisdictions (IHCD) must set aside a minimum of 15% of their HOME allocations for activities in which CHDOs are the owners, developers, and/or sponsors of the housing.

Comprehensive Community Development: Every community strives to be a place where people choose to live, work, and play. Comprehensive development means that a community's potential lies in the identification and creation of a shared vision, planned by local leadership, and carried out by an array of partners. When successful, it yields results beyond what can be achieved by individual organizations or disparate programs because of the unique synergy they generate. A thriving community is a community with job opportunities, strong schools, safe neighborhoods, a full range of housing choices, and a vibrant culture. Comprehensive development marshals resources and deploys coordinated strategies in a concentrated area to create opportunities for others in the community to take prudent risks and reap the rewards. The demolition of blighted structures, the rehabilitation of long-vacant housing and the creation of new community amenities and retail opportunities serve as a tipping point for future development through market forces.

Disabled: The Fair Housing Act defines disability as a person who has/is:

- A physical or mental impairment which substantially limits one or more of such person's major life activities; or
- A record of having such an impairment; or
- Is regarded as having such an impairment, but such term does not include current, illegal use of or addiction to a controlled substance (as defined in section 102 of the Controlled Substances Act).

Elderly: Elderly can have one of two definitions as elected by the applicant:

- A person 62 years of age or older. This target population only includes households in which all household members are 62 years of age or older. For housing using this definition of elderly, 100% of the units must be age restricted.

HOME: The Home Investment Partnerships Program as created by the National Affordable Housing Act of 1990.

IHCDA: Indiana Housing and Community Development Authority

Income Limits: Maximum incomes as published by HUD for projects giving the maximum Income Limits per unit for beneficiary (30%, 40%, 50%, 60% and 80% of median) units.
